*Our aim is always to provide the best possible educational experiences for the children and all feedback is taken seriously. I have been through all the written responses and a summary will be shared, along with the results above, with governors and staff to reflect on strengths and potential areas we need to explore further. I plan on having a 'coffee morning' on **Thursday May 2nd 9am** and would welcome the opportunity to discuss the findings in more detail and hear any ideas or views. The school's Family Support Worker will also be present.*

Main themes to explore from written feedback at the meeting include:

- **Communication**
- **Curriculum/learning**
- **Clubs/After School Care**
- **Transition**
