

The Greville's Termly Update

Autumn Term 2024

RECEPTION

Reception children have completed their first term in school. We have had so much fun and the children have learnt so much! We rounded off our 'Transport' topic with thinking about how Santa manages to get around the world so quickly! We have been looking at transport in the past and present and have decided we are very lucky now!

– Mrs Edwards (Reception, Group Leader)

The children enjoyed their first school trip to our annual carol service at the church and we were blown away with their first performance in the nativity 'A King is Born'. The nativity performance was such a special experience and a fantastic way to end a busy term; we were over the moon to be able to perform for our Bumblebee and Caterpillar families. I think we can all agree, the cute factor was off the scale and I'm sure you're just as proud of them as we are.

There have been a lot of firsts for the Bumblebees and Caterpillars so far this year and we have been so impressed with the way they have handled each and every new challenge. The children have continued to impress us with their enthusiasm for learning. We can see so much progress already in all areas and we want to thank you again for your support in their home learning – it really is making such a difference.

Next term, we will start our new topic of 'People who help us' and we have lots of fun learning in store. We would like to take this opportunity to thank all of those parents who have volunteered so far to come in and talk to the children about their professions.

We want to wish all of our families a wonderful and well-deserved Christmas break. We look forward to seeing you in the new year - The Reception Team
