

The Greville's Termly Update

Spring Term 2025

RECEPTION

– Mrs Linter (Teacher, Reception)

The children loved the visitors who came in to see us; it was great to try out some real medical equipment, put on some police uniform and jump in a real police car! They are just starting their topic on 'Amazing animals' which we will continue after half term.

In PE, we have been teaching our gymnastics unit, giving the children a chance to show us their amazing climbing skills. They have showed excellent balance, skill and bravery as they have jumped and travelled across lots of different equipment.

Reception children also went on their first class trip to the library. They all walked so sensibly along the roads and listened carefully to the librarians; what amazing school ambassadors!

The children enjoyed watching The Pied Piper show on the country mouse and the city mouse; the children were so engaged by the actors and the moving puppets.

We hope that everyone enjoys the half term break. We look forward to seeing all the children in Spring 2. The Reception Team.
