Year 4 Bikeability

Please can parents and carers double-check that the bike their child is using for Bikeability is in good condition - that includes making sure the brakes are functioning properly, the bike is the right size for their child, and, of course, that they have their helmet ready. It's important for everyone's safety and will help ensure the children get the most out of the Bikeability experience.

Bikeability is such a valuable experience for the children. Not only will they enhance their cycling abilities and road awareness, but they'll also develop confidence and independence. It's a great way for them to feel more self-assured on the roads, which will benefit them in many areas of life.

Good luck, year 4!

Aspire Education Academy are looking to fill 150+ School Support vacancies in local schools in your area (e.g. SEN Support, Behaviour Mentors, 1-1 Classroom Support, Cover Supervisors etc). These roles are available in both full time and part time positions. Fully Funded (FREE) NCFE | CACHE Courses available in levels 1 & 2 with fully funded progressions available for 3 level - starting on **22nd April 2025**. **The deadline to enrol is 7th April 2025.**

Aspire Education Academy's courses run ONLY in term time and not during half term/ end of term periods, as we understand how difficult it is when the children are out of school. This is a six-week intensive course, with online live webinars with Aspire Education's friendly tutors, starting at 9:30am and finishing at 2pm (with lunch break) from Monday to Friday. There will be additional home learning, which you will be able to do in your own time. All you need is access to the internet and a computer, laptop or tablet. Spaces are limited and will be offered on a first come first serve basis.

IT'S FREE - If you are earning less than £23,500 per year OR claiming benefits (including Universal Credit, JSA, ESA, PIP, Income Support, Housing Benefits, carers allowance or any type of Tax Credit including Child Tax Credit) you will be eligible to apply for a fully funded (free) place on our course. Take advantage of this opportunity while it's still available. Please go to: www.studysmartuk.online for more information.

Support The Little Recyclers - School Fundraising and Environmental Initiative

On **12th May**, The Greville will be collecting unwanted clothes to support **The Little Recyclers**. We encourage you to bring in your unwanted clothing, shoes, and accessories, and help us raise funds for the school.

Your donations will not only make a difference in our fundraising efforts but also contribute to a greener, more sustainable community. Thank you for your generosity and support!

Please do not tie dogs to school gates

There have been some reports of dogs being left tied up outside the school, which has raised significant concerns. Unfortunately, there have been some close calls involving dog bites as children and parents approach or pass by. While many dogs are friendly, leaving them unattended in such a busy area can lead to unpredictable situations, putting both the dogs and people at risk.

To ensure the safety of everyone, we kindly ask that you do not tie your dog to the school gates or leave them unattended in any area near the school.
