PLEASE HELP KEEP OUR CHILDREN SAFE!

Please show respect and consideration for our children, other road users and the local residents when parking your car. It is especially dangerous to park on the yellow lines opposite the school gates, close to the raised crossing. Children are unable to see if a car is approaching and this could result in a serious accident.

We have had a number of complaints from local residents informing us that parents have behaved in an aggressive or rude manner towards them. This is not a positive reflection of our school. Please do not park across driveways or on dropped curbs.

Email both Surrey Enforcement Services & Councillor Chris Townsend with regards to parking concerns:

- SurreyParkingEnforcement@nslservices.co.uk
- chris.townsend@surreyc.c.gov.uk

Our priority is to keep our children safe at all times!

THINK before you park!

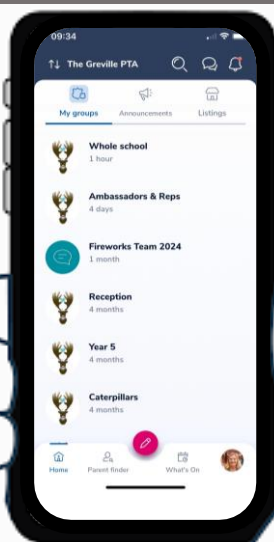

THINK BEFORE YOU SHARE

Please use Classlist in a respectful and positive way!

Inappropriate and unacceptable use of Classlist has been reported recently. Please communicate with each other politely and with courtesy.

If you have any issues which you'd like to raise with the school, please contact a senior lead.
