Parking complaints!

Parents and carers are politely reminded to please show respect and consideration for the local residents when parking their car.

We have had complaints from residents of Old Stede Close, informing us that parents have been parking with very little courtesy or consideration for others.

Please **DO NOT** park across driveways or on dropped curbs.

Unfortunately, the office staff have to deal with the repercussions of inconsiderate parking by taking aggressive phone calls from residents.

Child Safety

It is especially dangerous to park on the yellow lines opposite the school gates, close to the raised crossing. Children are unable to see if a car is approaching and this could result in a serious accident.

Please help keep our children safe!

THINK before you park!

Volunteer with Home-Start

Home-Start Surrey Home-Start are local charities passionate about supporting a society in which every parent or carer has the help they need to give their children the best possible start in life. With 8 local offices, all affiliated to Home Start UK, we provide support across the county. We are committed to promoting the welfare of local families who are struggling and who have at least one young child. Together with families we aim to increase their confidence and independence. We work with Surrey County Council and many local charities to help provide early help to Surrey families providing support where we can, and making referrals to additional support where appropriate.

AGM Update!

Thank you to those who attended the AGM – it was great to celebrate achievements of 2024, say a big public thank you and welcome volunteers into new roles...

Lisa Sullivan will be our Class Rep PTA Coordinator and **Katie Costick** will be supporting with our Digital Marketing – we're delighted to have you both on board. **Vice Chair** and **Secretary roles** are still open if you fancy joining the crew!

We are also thrilled to share some 2025 spending plans...

New Infant School area resources

As reported pre-Christmas, the Year 1 classrooms are getting a little makeover with canopies added so the classes have more space and can learn outside. The PTA are funding all new resources for those areas, ensuring they have great equipment to learn and play with.

Date: Feb half term, ready for second half of Spring Term

Outdoor Eating Area

While we can't do the complete overhaul that we originally intended due to rising costs, we are thrilled to be supporting a broader renovation which will completely transform eating outside for the Junior Greville

children with new tables, plants, better cover and improved equipment.

Date: Easter holidays, ready for Summer Term

Junior Playground markings

We will be funding a brand new game, plus an exciting maths resource marked onto the playground, so the older kids can tear around while doing their times tables.

Date: TBC, but this school year

Reception Built-In Sandpit

Reception are finally getting their new sandpit, built into their outdoor play area.

Date: TBC, but this school year

Save The Date!

Greville Quiz Night – Friday 28th February

Details to come shortly on Classlist, but here's the notice to put it in your diary – woo hoo!

Plea from the PTA.....

At The AGM meeting, we were delighted to have some volunteers sign up to run the discos - we are delighted!

But as we look to the rest of the year, we also want and need to make an important point about PTA events and volunteering. As Chairs (Helen and Lauren) who work 4+ days a week, we want to be really honest and put a line in the sand about what we need from the school community, being clear that if we can't find volunteers to help run and staff events, they can't happen this year.

We're desperate to keep up the great momentum (in terms of what's organised and the money raised) and are truly having a great, rewarding time leading the charge, but we have to be realistic about what we can both run/ do personally (please note, we're committed to delivering Grevfest, Fireworks and Christmas Extravaganza above everything else).

Given the size of the school, we should be able to manage and run a PTA calendar easily, so we encourage all parents and carers to get involved with our plans. There are a small but mighty group across the school who sign up every time, and we are so grateful. There are many of you who would like to help but can't for a range of reasons, which we totally understand. But we believe there are loads out there who could stick their hands up, and would have a great time doing so. Give it a go!

Think of it like this – if each parent/carer could give just **one hour in a school year**, it would completely transform how the PTA works. If we managed this, we'd have a huge volunteering squad, raise more money and put on more affordable, family events. **That's over 1,000 volunteering hours, but just one for you.** Now that's good maths! And, less begging messages from us – win, win.

*A huge thank you in advance
– we look forward to hearing
from you!*

Now one hour instead of two!
