3K Feet First Walking

4A & 4CM Swimming Lesson

Cross Country Event, 3.00pm

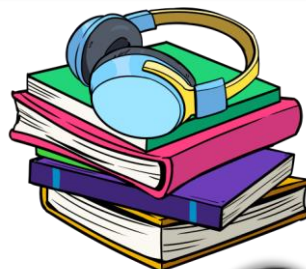

# WORLD BOOK DAY

We are looking forward to celebrating World Book Day 2025 on **Thursday 6<sup>th</sup> March.**

We will be planning and organising many exciting book-themed activities throughout the day.

**Children may wear pyjamas to school and bring in their favourite book and a teddy bear if they would like to.**

We look forward to a day of celebrating reading and the wonderful world of books!

**#WorldBookDay**

# Show racism the **red card** competition!

Recently, we had a day where we could wear red to think about racism and how to stop it. There is now a competition based on the same theme! The aim is for the children to produce their own work to raise awareness.

Categories include:

- ❖ Years 1-4 artwork
- ❖ Years 5-6 artwork
- ❖ All ages – design a football boot
- ❖ All ages – design a t-shirt

In each category we are only allowed to send **one winner**. School Council will judge the entries. **We then send the winners to be judged against other schools.**

Competition winners will be invited to an awards event at a Premier League football stadium.

Deadline is **Friday 7th March**. Entries need to be sent to 6P. Good Luck to all the children!

## Medicine in school

Children **may not** bring any non-prescription medication to school (e.g. cough 'sweets', vitamin tablets or travel sickness pills). Other than inhalers, children are not allowed to administer medication themselves. Any medication must come to the office and a form completed.

Please can we ask that you collect any leftover medication that your child no longer needs, or medicines that have passed their expiry date, from the school. If leftover medicine is not collected, it may be discarded. Our medical cupboard is currently full.
