

KS2 (Y3-6) AFTER SCHOOL CHESS CLUB

WEDNESDAY 3:30pm – 4:30pm

Why play chess?

Chess is fun, it is a lifetime hobby, but it is also so much more.

- **Chess is a game that involves strategy, risk management, creative thinking, and the ability to manage your emotions.**
- **Chess is a fantastic tool for *developing character* at a young age such as resilience, patience, sportsmanship.**
- **Chess also brings together all ages, nationalities, backgrounds, and gender.**
- **In the club the children play chess over-the-board (OTB), this offers a rich, tangible experience that screen-based games simply cannot match. It builds deep focus, spatial awareness, and strong tactile memory.**

Think Fast • Play Smart • Have Fun!

♠ What we do:

- Learn the rules and strategies of chess (opening, middle game, and end games)
- Play fun strategic games
- Solve cool chess puzzles
- Compete in friendly tournaments

💡 What you'll gain:

- Improve your concentration & memory
- More focus and patience
- Build confidence and problem-solving skills
- Make new friends

👤👤 Who can join?

🧑 Anyone can join. Just bring your curiosity and get ready to make your move! **Think. Play. Have Fun!**

There will be a tournament during the term with prizes for all including a winner's trophy and medals for runners-up. To improve your child's chess skills, I would recommend they try to play three games of chess a week.
