# Reception expectations

## Homework:

- One piece of homework will be sent home weekly on a Friday.  
Please can the homework folder be returned by the following Wednesday.

## Reading:

- We expect the children to read at home to an adult at least **4 times** a week. This should be recorded and signed in their reading records. Children who read 4 times a week become a star reader and are celebrated in class!
- To begin with your child will bring home wordless books. These books expand your child's vocabulary and develop their language skills. Once they know their set 1 sounds, they will bring home word blending book to go with their wordless book.
- After this your child will take home two books, a Read Write Inc book which is directly linked to their current reading level and another book that they can choose from our Infant selection. Although the second book is not linked to their exact reading level, your child will still be able to use their phonic knowledge to decode and read the majority of the book, whilst expanding their exposure to different texts.
