Children take a weekly 'Multiplication Ninjas' (times tables) test on a Monday based on the times tables they're currently learning. Children who are not secure on their number bonds and addition and subtraction facts would benefit from using **Numbots**.
- Children have maths and English homework once a week.
 - Maths goes home on a **Monday** to be completed for **Thursday**.
 - English goes home on **Thursday** to be completed by **Monday**.

Year 3 expectations

Reading:

- We expect the children to read at home to an adult at least **4 times** a week.
- This should be recorded and signed in their planners.
- Your child will bring home a reading book linked to their ZPD level and will be encouraged to choose a book outside of this from the library as an extra 'reading for pleasure' book.
- At the end of their levelled book, they will be expected to take a quiz in order to assess their understanding of that book on Accelerated Reader.

ZPD = Zone of Proximal Development
