PGL Kit List

Below you can find our recommended kit list. It is not necessary to go out and buy all new and expensive kit for the activities. Come prepared for all weathers with plenty of **warm**, comfy **layers**, changes of footwear and clothes you don't mind getting wet or muddy! We advise sending children with clothes they can **layer up** as the children are outside all day. Activities start on arrival, so children should arrive on Wednesday, dressed ready for action. Please make sure that **everything** is clearly labelled.

Please note that children need to bring bedding with them. This can be a sleeping bag or a small duvet and pillow. Please practise packing up sleeping bags with the children as this can be a challenge! Sheets are provided.

Packing and Sleeping:

- A suitcase or large rucksack to pack all their things into.
- A day bag (rucksack etc.)
- Sleeping bag (or small duvet)
- Pillow and pillow case
- Labelled plastic bags (e.g. bin liners) for wet and used clothing

Clothing

- Night clothes/pyjamas
- Underwear and socks for the 3 days (plus extra) – socks will need to cover ankles for some activities
- Warm socks/slippers (optional)
- Tracksuit/ full-length trousers suitable for outdoor activities (at least 3 pairs – no jeans for activities, but can be brought for the evenings)
- Shorts (optional if warm!)
- T-shirts (one per day and a few extras)
- Long-sleeve t-shirts/jumpers (for some activities, children will need to have long sleeves)
- Warm jumpers/ fleece (two minimum)
- Waterproof jacket/coat (and trousers - optional)
- Warm coat hat and gloves (weather dependent)
- 2 pairs of trainers (1 pair that is ok to get wet and muddy)
- 1 pair dry shoes for evening activities, meal times etc.
- An outfit/old clothing that will likely get wet for the raft building.

What to bring...

Other essential items:

- Named re-usable water bottle.
- * Packed lunch on the Wednesday (ideally in disposable containers).
- Wash bag with the usual essentials (toothbrush, toothpaste, soap/body wash, shampoo, flannel, hairbrush etc.) Please **do not** bring aerosols as they can set off the fire alarms.
- Minimum 2 towels (1 for washing, 1 for water activities)
- Hair ties (for long hair)
- Cuddly teddy (not too large)
- Book
- Quiet activity for the coach/free time e.g. travel games/playing cards (no slime)
- Disposable camera (digital cameras are allowed but they are the responsibility of your child)
- Torch (optional)
- Up to £6 spending money for tuck or souvenirs; the children will be responsible for looking after their own money.
- Sun cream / Sun hat (weather dependent)

No mobile phones or electronics (phones, iPads, kindles, go pros, tablets etc.), ~~jewellery~~ or food other than packed lunch are allowed on the trip. Any food required for dietary needs should be handed in with medication.

On the **Wednesday**, the children will **require a packed lunch from home**. Please ensure this is placed in a plastic bag.

Medicines, sleeping and safety

- Please hand all medication to your child's class teacher. Miss Simpson will manage morning/evening medication. Day to day medication such as inhalers will be kept by group leaders.
- In the dorms, the corridor lights are always on, but children may bring night-lights, teddies, torches etc.
- Greville staff rooms are placed amongst the children's rooms, there is always an adult available for the children: any time of the night
- The accommodation is secure and lockable (we have the whole block to ourselves!), as is the site around the dormitories and cafeteria. Only PGL staff have the code to access the site.

Questions from the meeting:

Do all children do the same activities?

All groups participate in the same activities- no one will be forced to do something they do not want to do.

Can they bring snacks in their bags?

Children will need a packed lunch on Wednesday. No extra food should be packed in their suitcases. This will be confiscated until the end of the trip as there are several children with allergies.

How do PGL manage dietary needs?

Children with dietary needs are served first. The chef personally tells them what they can and can't eat. A Greville teacher will also be there to ensure they are served the correct meal.

Are children allowed to phone home if they are feeling homesick?

Children are not allowed to phone home. However, we would never leave a child in distress and would call if we felt it was necessary.
