9.	I would recommend The Greville to other parents/carers.	74	26	0	0	N/A

We had 39 parents (over 74%) respond so thank you for taking the time to complete the survey.

Overall the responses were extremely positive. (For the purposes below, I assumed the 'have not experienced' was neither positive or negative so have discounted from the percentages)

- 100% of those that attended felt the induction evening was beneficial
- 100% felt that their child feels safe
- 100% felt their child is happy in school
- 100% felt their child is well looked after
- 100% would recommend the school to other parents
- 97% of those who had the 1 to 1 session with the teacher felt it was worthwhile
- 95% felt communication with reception staff is effective
- 88% felt the staggered start was appropriate for their child
- 87% felt the induction stay and play afternoon in September was enjoyable for their child

The additional comments from parents made reference to the 'stay and play' session and the staggered start. *In 2023 the feedback on the staggered start was less popular with 69% of parents finding it too long. We shortened it for 2024 and the change this year has been positively received with 88% finding it more appropriate.*

However, based on parents' feedback and reflections from staff, both 'stay and play' and staggered starts will be reviewed for 2025.

Many thanks for the feedback.
